Instructions

Section references are to the *Internal Revenue Code*.

Purpose.—Schedule C (Form 5713) is used to compute the loss of tax benefits attributable to participation in or cooperation with an international boycott. Complete Schedule C if you completed either Schedule A or Schedule B of Form 5713.

Note: *Complete Schedule C (Form 5713) if you are a partner or an IC-DISC shareholder. Partnerships do not complete Schedule C.*

Controlled groups.—Unless a controlled group (described in section 993(a)(3)) files a consolidated return, each member may independently choose to apply either the international boycott factor under section 999(c)(1) or to identify specifically attributable taxes and income under section 999(c)(2). Each member must consistently use a single method to figure the loss of tax benefits.

For example, a member that chooses to use the international boycott factor must apply it to determine its loss of the section 902 indirect foreign tax credit on a dividend that another member of the controlled group paid to it, even if the other member determines its own loss of tax benefits by identifying specifically attributable taxes and income.

A person who applies the international boycott factor to one operation must, however, apply the factor to all that tax year's operations under section 908(a), 952(a)(3), 995(b)(1)(F)(ii), or 927(e)(2).

A person who identifies specifically attributable taxes and income under section 999(c)(2) must use that method for all that tax year's

operations under section 908(a), 952(a)(3), 995(b)(1)(F), or 927(e)(2).

An IC-DISC whose tax year differs from the common taxable year of the controlled group of which it is a member does not need to amend its return to show on Schedule J (Form 1120-IC-DISC) the amount of IC-DISC benefits lost because of boycott participation. Because the IC-DISC benefits are lost at the shareholder level, the shareholder must include in income the prorated share of income attributable to boycott operations shown on line 4a(3).

Line 2a(1).—Enter the foreign tax credit before adjustment on Form 1116 or 1118 (e.g., individual filers, enter the amount from line 30, Part IV, of the 1996 Form 1116. Corporate filers, enter the amount from line 10, Part III, Schedule B, of the July 1994 revision of Form 1118).
